

The Gospel According To **The Bible**

In the beginning God created the heavens and the earth – Gen 1:1. Mankind was created with free will in a perfect environment to enjoy a special relationship with God. But man transgressed. ... through one man sin entered the world, and death through sin, and thus death spread to all men, because all sinned – Rom 5:12

Sin became a barrier between perfect God and fallen mankind. To remove this barrier, the penalty for sin had to be paid so mankind would not be eternally separated from God and all His provision – in hell.
